

ON-SITE EVENT

**W@CC + M@CC**

Present

**Day in the Life**

**A Panel With  
Bloomberg Engineering**

Wednesday, September 14, 5:00 pm - 7:00 pm

College of Computing Building, room 17 (CCB 17)

Curious about what over 7,000 Software Engineers do at a global Technology firm working on software critical to financial markets? How did they go about getting the job? What tips can they share about being an effective collaborator and bringing your best self to work? Join W@CC, M@CC and Bloomberg Engineers to find out more! Learn about opportunities for Summer Internships and jobs for 2023. Find out what makes our culture so unique!
